The compound godown wall of the Coir Godown at the Larine
yard, Mangalore collapsed for a length of about 45 feet, due
to heavy rains. This wall has to be rebuilt to keep off
trespassers and stray cattle. As the godowns contain valuable
Government Coir, it requires protection. I therefore submit
an estimate for Rs 525/- (five hundred and twenty five only)
along with the plan received from the Executive Engineer, South
Kanara Division, Mangalore for the reconstruction of the
compound wall. I request that the Government may be pleased
to sanction the work at an early date.

Yours faithfully,

(M) | Enc. Estimate for Rs
525/ and a plan.
